

# I Never Will Marry

## Loretta Lynn

They say that love's a gentle thing  
But it's only brought me pain  
For the only man I ever loved  
Has gone on the morning train

I never will marry  
I'll be no man's wife  
I expect to live single  
All the days of my life

Well the train pulled out  
The whistle blew  
With a long and a lonesome moan  
He's gone he's gone  
Like the morning dew  
And left me all alone

I never will marry  
I'll be no man's wife  
I expect to live single  
All the days of my life

Well there's many a change in the winter wind  
And a change in the cloud's design  
There's many a change in a young man's heart  
But never a change in mine

I never will marry  
I'll be no man's wife  
I expect to live single  
All the days of my life
