Typical

The Daylights

Building her all upside down
I outta know by now
You can't have what you can't touchShe is magical, she is radiant, she is kinetic
I can't stand it
She is glorious, she's unspoken for
she's so beautiful
She's so typicalDressing her off like a dream
fit for a magazine
So what if it all comes smashing down on meShe is magical, she is radiant, she is kinetic
I can't stand it
She is glorious, she's unspoken for
she's so beautiful
She's so typicalAnd I'm never gonna let her free
as long as she is next to me
everybody else is laughingShe is magical, she is radiant, she is kinetic
I can't stand it
She is glorious, she's unspoken for
she's so beautiful
She's so typical, so typical
