

# **Jesus I Appreciate You**

**Dr Pastor Paul Enenche**

Lord you left your kingdom and the glory of the throne,  
To do the works of almighty God,  
To show us what it means to love you lord —2

Reflain ( I appreciate you lord!!)  
Jesus I appreciate you lord,  
For what you mean but in my life.

Thank you lord for showing me the way, the way of life, the glory dome.
