Bother

Corey Taylor

Wish I was too dead to cry,
the self-affliction fades,
stones to throw at my creator,
Masochist to which I cater.You dont need to bother
I dont need to be
Ill keep slipping farther
But once I hold on I wont let go til it bleedsWish I was too dead to care
If indeed i cared at all
Never had a voice to protest
So you fed me shit to digest
I wish I had a reason
My flaws are open season
For this I gave up trying
One good turn deserves my dyingYou dont need to bother
I dont need to be
Ill keep slipping farther
But once I hold on I wont let go til it bleedsWish I died instead of lived
The zombie hides my face
Shelf forgotten with its memories
Diaries left with cryptic entriesYou dont need to bother
I dont need to be
Ill keep slipping farther
But once I hold on I wont let go til it bleedsYou dont need to bother
I dont need to be
Ill keep slipping farther
But once I hold on Ill never look down my deceits[Corrected by matrixrpgcreator@yahoo.com]
