Fun

Sly & The Family Stone

Fun
When I party, I party hearty
Fun is on my mindFun
Put a smile on your face
Leave that bummer behindFun
There's a sister and there's a brother
Havin' fun with each otherFun
Daddy always hangs up the boys
He just wants to party with motherA private thought cannot be bought
But you know what you have to do
Sock it unto others
As you would have them sock it to youFun
When I party, I party hearty
Fun is on my mindFun
Put a smile on your face
Leave that bummer behindFun
There's a sister and there's a brother
Havin' fun with each otherFun
Daddy always hangs up the boys
He just wants to party with motherFun, fun, fun, fun, fun, fun, fun, funWhen I party, I party hearty
Fun is on my mind
Put a smile on your face
Leave your bummer behind
