I Wear You

All We Are

What doesn't matter if we were to hold it, keep it down, keep it right, keep it next to me.
What doesn't matter if we were to close it, out of sight, far away from me.
I wear you like you wear a number.
I wear you like this is all we had.
I wear you right up on my shoulder.
I wear you like this is all we had.
What doesnt matter, if it comes to nothing, failed to see anything as it comes on me.
What doesnt matter, if it comes to moaning, just inside, lying next to me.
I wear you like you wear a number.
I wear you like this is all we had.
I wear you right up on my shoulder.
I wear you like this is all we had.
I wear you like you wear a number.
I wear you like this is all we had.
I wear you right up on my shoulder.
I wear you like this is all we had.
I wear you.
I wear you.
I wear you.
I wear you
