Need It

Splashh

Feed me the truth today, and I might stay.
Show me the world today, and I might stay.

Â´Cause I wanna run away.
I wanna run away.
I need it, I need it today.
I want it, I want it today.

Swear weÂ´ve seen better days, IÂ´ll have to say.
Promise IÂ´ll slown down babe, things are great.

Feed me the truth today, and I might stay.
Show me the world today, and I might stay.
