

You're A God

Vertical Horizon

I've gotta be honest, I think you know
We're covered in lies and that's okay
And there's somewhere beyond this, I know
But I hope I can find the words to say
 Never again, no
 No, never again
 'Cause you're a god
 And I am not
 And I just thought
 That you would know
 You're a god
 And I am not
 And I just thought
 I'd let you go
But I've been unable to put you down
I'm still learning things I ought to know by now
 It's under the table, so
And I need something more to show, somehow
 So, never again, no
 No, never again
 'Cause you're a god
 And I am not
 And I just thought
 That you would know
 You're a god

 And I am not
 And I just thought
 I'd let you go
I've gotta be honest, I think you know
We're covered in lies and that's okay
And there's somewhere beyond this, I know
 I hope I can find the words to say
 Never again, no
 No, never again
 'Cause you're a god
 And I am not
 And I just thought
 That you would know

You're a god
And I am not
And I just thought
I'd let you go
You're a god
(Oh, and I am not)
I just thought that you would know
(Oh, I thought that you would know)
You're a god
(Oh, and I am not)
I just thought
I'd let you go
