

What's On Your Neighbors BBQ

Nekromantix

Maybe its just me
Imagining things or being paranoid
But I haven't seen his family
For a long time not in a while
I always thought he was strange
Keeping to himself
And never socialize
But people they can change
When he borrowed my chainsaw
He was pretty nice A thick smoke fills the air
I'm trying to look but I can't see
What is going on in there
It sure doesn't
Smell like pork or beef to me What's on your neighbors BBQ...
A weird smell strange sounds is
Coming through to you... Now it appears to me
I heard the horror story
A few years ago
This guy wiped out his family
He was never caught
And is still on the loose
Could the man next door be he
Should I call the cops
Or leave it alone
Oh my god he is looking at me
While cutting the wires
To my phone
