Evil With You

People In Planes

Don't keep me hanging from this tree
I hope that someone will notice me
'Cause I am fading fast
I think I wanna be kidnapped
Wake up in bed with a horse's head
I'll start again on the cigarettes
And burn down the house-arrest
I am evil with you
I am evil with you
I know not to take it too far
'Cause I'm under the thumb
Yeah, I know not to take it too far
'Cause I'm a modern man
Who is the boss?
I'll keep it buttoned
I know not to take it too far
'Cause I'm under the thumb
Yeah, I know not to take it too far
'Cause I'm a modern man
I am evil with you
I am evil with you
