

# Everlasting Now (rainbow children 2001)

## Prince

I knew this dude  
He was very cool  
He used to rule  
Until he went to school Not a normal school  
That breeds a fool  
But the ones that teaches  
Men aren't fit to rule That's when he took his pearly crown  
He raised it up and spun it 'round  
And tossed into the deep blue underground No longer lead by the ways of men  
He looked for the kingdom deep within  
That's when the drums in his head began to pound Don't let nobody bring you down  
Accurate knowledge of Christ and the Father  
Will bring the everlasting now  
Join the party, make a sound  
Share the truth, preach the good news  
Don't let nobody bring you down  
The everlasting now Now turn the page, at an early age  
This brother on stage, he was all the rage  
He taught an integrated world to sing  
The color you are don't mean a thing  
Everybody's a star all the everyday people sang He changed the funk, put it in a bag  
Then he changed the colors of the flag  
But you can't teach a dog new tricks if his tail don't wag  
Don't know matter how much money you made  
All the cars you got and all the women you laid  
Mess with the flag and to them you're still a spade Don't let nobody bring you down  
Accurate knowledge of Christ and the Father  
Will bring the everlasting now  
Join the party, make a sound  
Share the truth, preach the good news  
Don't let nobody bring you down  
The everlasting now See this girl in her make-believe world  
Plastic boobs and clip-on curls  
Round the pole see her big butt twirl  
There are the dreams that do unfurl  
Never everlasting Don't let anybody bring you down  
The everlasting now Watch that girl in her make-believe world  
Plastic boobs and clip-on curls  
Round the pole see her big butt twirl

Electric beaches skin do bake  
Vanilla fudge and wedding cake  
If you should die before you wake  
You got any last requests to make?The everlasting now  
The everlasting now  
The everlasting nowJohnny, B. Well and bring the beatFrom this day forward 'til times indefinite,  
Those who love Christ are the  
Ones who benefit.  
All the players' ice melted into one platinum chain and in  
A downward spiral it dropped down the chain."You know, this is funky but I wish he'd play like he used to, old  
scragglyhead."Don't let nobody bring you down  
Accurate knowledge of Christ and the Father  
Will bring the everlasting now  
Join the party, come on make a sound  
Share the truth, preach the good news  
Don't let nobody bring you down  
The everlasting nowThe everlasting now  
The everlasting now  
The everlasting now  
Now, now, now  
The everlasting now
