## Big Sean

Hands up in the air  
I just want the  
I just want the baddest bitch in the world  
Right here on my lap

And I'mma hit this drink up like it's my last  
I'mma hit this night up like it's my last  
I'mma I'mma hmm hmm, like it's my last (boi)  
Swear I'mma, swear I'mma get it like  
Like I never had it at all all all all, all all all all  
Like I never had it at all all all all, all all all all

Okay, now where that alcohol  
You ain't even got to ask  
'Cause I'mma drink it all like, like its my last  
She a seven in the face, but a ten in the ass  
She even look better by the end of my glass  
See I just walked in fresher than the shirts off in this muthf-cka  
Ima need a bad broad to twirk off in this motherfucka'  
I'mma go hard till it hurts off in this motherfucka'  
I'mma ball so you gotta work off in this motherfucka'  
The work, and I can get you anything you want  
I could, I could, I could put you on  
See you look like Beyonce so do it like Beyon  
Do it like Beyonce and put it on Sean  
Grind hard but a got a lot to show for it  
Always had drive like I had to chauffeur it  
My team's so true we should get a camera crew  
To follow us around and make a show for us

And I'mma hit this ass up like it's my last  
I'mma hit this night up like it's my last  
I'mma I'mma hmm hmm, like it's my last (boi)  
Swear I'mma, swear I'mma get it like  
Like I never had it at all all all all, all all all all  
Like I never had it at all all all all, all all all all

Now, I'mma fill this glass up like it's my last  
I'mma do, do it, like its my last  
I'mma spend this cash up like it's my last

And I'mma make it last, like it's my last  
And I'm gone, can't remember where I am  
But she forget about her man when they tell her who I am  
And they introduce my fan  
Now she all up in space  
All all up in my face like you remember who I am  
Since I signed to Kan', I'm Louie Vuitton Sean  
Up in Benny Han Han eating all the Wonton  
Rose rose over a little Chandon  
Put her hands down my pants now she rocking Sean John  
Man I just ended up on everybody guest list  
I'm just doing better than what everybody projected  
Knew that I'd be here so if you asked me how I feel  
I'mma just tell you, its everything that I expected  
Boi, boi

Hands up in the air  
(One time for the West side, let me see them hands)  
Hands up in the air  
(Two times if you love Good Music)  
Hands up in the air  
(And three times for the baddest chick in the World  
Who got her hands up in the air)  
Hands up in the air

And I'mma hit this drink up like it's my last  
I'mma hit this night up like it's my last  
I'mma I'mma umm umm, like it's my last (boi)  
Swear I'mma, swear I'mma get it like  
Like I never had it at all all all all, all all all all  
Like I never had it at all all all all, all all all all

Big ass bottles, Big Ice buckets  
I work too hard to be ballin' on a budget  
Me and my people do it big out in public cause  
'Cause if you don't do it big, you aint doing nothing

And I'mma hit this drink up like it's my last  
I'mma hit this night up like it's my last  
I'mma I'mma umm umm, like it's my last (boi)  
Swear I'mma, swear I'mma get it like  
Like I never had it at all all all all, all all all all  
Like I never had it at all all all all, all all all all
