Sweet Sticky Thing

soulunique

You just go from man to man
I just dont seem to understand
Why youre so very hard to take
You sweet sticky thingIf I could slow you down sometime
Id like to try and change your mind
Youre really not the one to blame
You sweet sticky thingSweet, sweet sticky thing
Sweet, sweet sticky thing
Sweet, sweet sticky thing
Sweet, sweet sticky thing
Sweet, sweet sticky thing
Sweet, sweet sticky thingEvery time that you walk by
You really leave me paralyzed
If you just were doing your thing
You sweet sticky thingYour beehive is full of bees
I wish you had a place for me
Im really trying hard to change
You sweet sticky thingSweet, sweet sticky thing
Sweet, sweet sticky thing
Sweet, sweet sticky thing
Sweet, sweet sticky thing
Sweet, sweet sticky thing
Sweet, sweet sticky thingLittle bugs and bumble bee
Id like to take you home with me
Will you share my beehive with me
You sweet sticky thing?You leave honey everywhere
Sometimes I wonder if you care
Who sees you when you do your thing
Youve got such a stingSweet, sweet sticky thing
Sweet, sweet sticky thing
Thats why I singDa da da daa
Da da da daa
Da da da daa aahDa da da daa
Da da da daa
Da da da daa aah
