

Throw It Down

[Rebecca Lynn Howard](#)

Kick your shoes off and stay a while
Want to hear you scream, want to see you smile
Want to give you everything that you came here for
A rockin' time and a banging band
Don't care if you get a little out of hand
Get up and get your feet on to the floor
Are you ready to throw it down
Fire it up and start the party now
Ain't got no time for messin' around
We got to get down to business now
Are you a rowdy crowd
Do you like it loud
Are you ready to throw it down, throw it down
Hey you back there it's like you're so far
Come a little closer to my guitar
Let me sing you something that will take your cares away
I'm a good old country girl who came here tonight to rock your world
and if you want that all I have to say
Are you ready to throw it down
Fire it up and start the party now
Ain't got no time for messin' around
We got to get down to business now
Are you a rowdy crowd
Do you like it loud
Are you ready to throw it down, throw it down
(Lead) Are you ready to throw it down
Fire it up and start the party now
Ain't got no time for messin' around
We got to get down to business now
Are you a rowdy crowd
Do you like it loud
Are you ready to throw it down
Fire it up and start the party now
Ain't got no time for messin' around
We got to get down to business now
Are you a rowdy crowd
Do you like it loud
Are you ready to throw it down, throw it down, throw it down
