

# Television

## Hard-Fi

Life means nothing  
When no one knows your name  
I've never had too much  
But I'd give it all for fame, baby, baby She's there on the TV, so beautiful on screen  
Selling me a life  
I've never known and never seen, baby, baby  
If I only had you, if I only had Television, new religion, let everyone sing Hallelujah  
Politicians, don't wanna listen  
They only wanna make money out of you  
Hallelujah, Hallelujah, Hallelujah, Hallelujah Newspaper headlines, I can't believe my eyes  
No tales of war, destruction  
But who said what last night on the TV  
Well that could be me Through the shop window it's a wide screen world  
But I can't afford a thing and I never get the girl  
It ain't easy, no, it ain't easy  
If I only had you, if I only had you  
If I only had you, if I only had Television, new religion, let everyone sing Hallelujah  
Politicians, don't wanna listen  
They only wanna make money out of you  
Hallelujah, Hallelujah, Hallelujah, Hallelujah  
Hallelujah, Hallelujah, Hallelujah, Hallelujah You know we always want something  
But somehow we end up with nothing, nothing  
If I only had you, if I only had you  
If I only had, if I only had Television, new religion, let everyone sing Hallelujah  
Politicians, don't wanna listen  
They only wanna make money out of you  
Hallelujah, Hallelujah, Hallelujah, Hallelujah  
Hallelujah, Hallelujah, Hallelujah, Hallelujah  
Hallelujah, Hallelujah, Hallelujah, Hallelujah
