

# Sleepwalking

Gerry Rafferty

Out on the street and the rain is fallin, I got nowhere to go  
Here in my heart I can hear you callin, maybe I should come back home  
I dont know what keeps us together but I cant break the chain  
I dont mind a little stormy weather but I just cant stand the rainHey, sleep, sleepwalking, hey, deep sleep talkin  
Hey, reelin and rockin, hey, wailin at the moon  
Hey, sleep, sleepwalking, hey, deep sleep talkin  
Hey, reelin and rockin, hey, wailin at the moonSleep wont come, so you lie there waitin, lookin at the silvery  
light  
Tellin yourself theres nothin new, so whatever gets you through the night  
Meanwhile back in the music business, the beat goes on and on  
I sell my soul to the company man when theres nothin else to lean uponHey, sleep, sleepwalking, hey, deep  
sleep talkin  
Hey, reelin and rockin, hey, wailin at the moon  
Hey, sleep, sleepwalking, hey, deep sleep talkin  
Hey, reelin and rockin, hey, wailin at the moonPeople come, people go, friends they disappear, theres only one  
thing  
That I wanted to know, tell me where do we go from here  
Everybodys on the make, everybodys tryin to get ahead  
In a world like this, you just exist to feed the walkin deadHey, sleep, sleepwalking, hey, deep sleep talkin  
Hey, reelin and rockin, hey, wailin at the moon  
Hey, sleep, sleepwalking, hey, deep sleep talkin  
Hey, reelin and rockin, hey, wailin at the moonLookin out on a world gone crazy, waitin for the fun to begin  
The race is on, yeah theyre gettin ready, Jesus what a state were in  
Meanwhile down in my backyard Im sittin doin solitary  
Now that I've milked the sacred cow, I just worry bout the militaryHey, sleep, sleepwalking, hey, deep sleep  
talkin  
Hey, reelin and rockin, hey, wailin at the moon  
Hey, sleep, sleepwalking, hey, deep sleep talkin  
Hey, reelin and rockin, hey, wailin at the moonGet ready  
Get ready  
Get ready
