

# Breaking My Heart (Pinoy Powered Station)

## Michael Learns to Rock

I'm on the floor  
Counting one minute more  
No one to break the silence Staring into the night  
All alone but that's alright  
It's the feeling deep inside I don't like There is no excuse my friend  
For breaking my heart  
Breaking my heart again  
This is where our journey ends  
You breaking my heart again Here in my bed  
Counting the words you've said  
They linger in the shadows Coming home late at night  
Drunk again but that's alright  
It's the look in your eyes I don't like There is no excuse my friend  
For breaking my heart  
Breaking my heart again  
This is where our journey ends  
You breaking my heart again
