I've Sold Myself

Caliban

Don't look at me like that, I am your creation
My actions will teach you
None of your tears can change me again
It's too late for this, what do you see and feel when you abuse me?Don't pretend like you feel any pain
Forget about it, I have no conscience
You took that from me
And now you complain about me being cruelBut this is exactly what you want
You want no heart
But this is exactly what you want
You want no contractYou want to play and that is what you want me for
That's why I'm your toy
My words mean nothing
It's on the shadow of me that I'm giving to youBut this is exactly what you want
You want no heart
But this is exactly what you want
You want no contractI've sold myself and given me away
Let me be myself again
I've sold myself and given me away
I want to give up this game
