

Honey (Digital Re-Recording)

Bobby Goldsboro

See the tree, how big it's grown
But friend it hasn't been too long
 It wasn't big
I laughed at her and she got mad,
 The first day that she planted it
 Was just a twig
Then the first snow came and she ran out
 To brush the snow away
 So it wouldn't die
 Came runnin' in all excited,
 Slipped and almost hurt herself
And I laughed till I cried She was always young at heart,
 Kinda dumb and kinda smart
 And I loved her so
 And I surprised her with a puppy
Kept me up all Christmas Eve two years ago
 And it would sure embarrass her
 When I came in from workin' late
 'Cause I would know
 That she'd been sittin' there and cryin'
Over some sad and silly late, late show And honey, I miss you and I'm bein' good
And I'd love to be with you if only I could She wrecked the car and she was sad
 And so afraid that I'd be mad
 But what the heck
 Though I pretended hard to be
Guess you could say she saw through me
 And hugged my neck
 I came home unexpectedly
 And caught her cryin' needlessly
 In the middle of a day
 And it was in the early spring
 When flowers bloom and robins sing
 She went away And honey, I miss you and I'm bein' good
And I'd love to be with you if only I could One day while I was not at home
 While she was there and all alone
 The angels came
 Now all I have is memories of honey
And I wake up nights and call her name
 Now my life's an empty stage

Where honey lived and honey played
And love grew up
And a small cloud passes overhead
And cries down on the flower bed
That honey loved And see the tree how big it's grown
But friend it hasn't been too long
It wasn't big
And I laughed at her and she got mad
The first day that she planted it,
Was just a twig
