

With Every Heartbeat (Acoustic) [Live]

[Robyn](#)

Maybe we could make it all right
We could make it better sometime Maybe we could make it happen, baby
We could keep trying
But things will never change
So I don't look back
Still I'm dying with every step I take
But I don't look back Just a little, little bit better
Good enough to waste some time
Tell me would it make you happy, baby We could keep trying
But things will never change
So I don't look back
Still I'm dying with every step I take
But I don't look back We could keep trying
But things will never change
So I don't look back
Still I'm dying with every step I take
But I don't look back And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
