

# Just Got Paid

## Zz Top

I just got paid today  
Got me a pocket full of change  
Said, I just got paid today  
And got me a pocket full of change If you believe like workin' hard all day  
Just step in my shoes and take my pay I was born my papa's son  
When I hit the ground I was on the run  
I had one glad hand and the other behind  
You can have yours, just give me mine When the hound dog barkin' in the black of the night  
Stick my hand in my pocket, everything's all right Well I just got paid today  
And got me a pocket full of change  
Said, black sheep, black, do you got some wool?  
Yes, I do, man, my bag is full It's the root of evil and you know the rest  
But it's way ahead of what's second best
