Bound And Gagged

Creature Feature

Gotta Run Away
Try Get Away
Gotta Run Away
Try Get Away
Gotta Run Away
Try Get Away
Gotta Run Away
Try Get Away
If You Ever Want To See Your Daughter Again
And Every Little Thing Goes According To Plan
Don't Do Anything That You Think You'll Regret
Or You'll Have To Check The Mail For Your Daughters Head
I'm Keeping Her Bound And Gagged
Her Clothes Soaked In Gasoline
Hands Tied Behind Her Back
Where No One Can Hear Her
Gotta Run Away
Try Get Away
Gotta Run Away
Try Get Away
Gotta Run Away
Try Get Away
Gotta Run Away

Try Get Away
Listen Up Now I Won't Repeat Myself
This Is How Everything Is Gonna Go Down
When You Make The Drop, You Better Be By Yourself
It Could Be Detrimental To Your Daughters Health
I'm Keeping Her Bound And Gagged
Her Clothes Soaked In Gasoline
Hands Tied Behind Her Back
Where No One Can Hear Her
Scream
Scream
You Can Run, But You Can't Hide
You Can Run, But You Can't Hide From Me
I'm Keeping Her Bound And Gagged
Her Clothes Soaked In Gasoline

Hands Tied Behind Her Back
Where No One Can Hear Her
Scream
Scream
