

Honey

Bonnie McKee

Memories haunting my evenings,
Eyes watching me through the moon
I hope my good days aren't over
Not so soon....
I never have seen an angel
I gave up watching the sky
Whisper softly to me honey
But don't lie, don't you lie I still see you when my eyes are closed
And tell me why I can't let go
I still smell you inside of my clothes
Oh, honey Someday I'll go for the glory
I'll conquer everyone's fears and
For once the ending of the story won't be tears
I have seen too much betrayal
I have heard too many lies
Someday I'll be purple lightning in the sky I still see you when my eyes are closed
And tell me why I can't let you go
I still smell you inside of my clothes
Oh, honey...
I can't love anybody but you, oh, honey... I was alone, I was broken eh
I needed someone to love
Your love was sticky like honey
Your love was sticky like honey
I said your love was sticky like honey I still see you when my eyes are closed
And tell me why I can't let go
I still smell you inside of my clothes
Oh, honey... woaaa oyea I can't love anybody but you, I'm afraid
Yea but I know it's true
I can't find no one sweeter than you
Oh, honey.....
See you, feel you, touch you,,, can't let go of you
Honey...
