

Toothbrush

DNCE

Baby you don't have to rush
You can leave a toothbrush
At my place
At my place

We don't need to keep it hush
You can leave a toothbrush
At my place
At my place.[Verse 1]

Stuck in a limbo
Half hypnotized

Each time I let you stay the night, stay the night
Up in the morning
Tangled in sheets

We play the moment on repeat, on repeat.[Pre-Chorus]

When you're standing there in your underwear
And my t-shirt from the night before
With your messed up hair
And your feet still bare

Would you mind closing the bedroom door?.[Chorus 2]

Baby you don't have to rush
You can leave a toothbrush
At my place
At my place

We don't need to keep it hush
You can leave a toothbrush
At my place
At my place

'Cause I just, I just can't let you go
Give me something I never know
So baby you don't have to rush
You can leave a toothbrush
At my place

At my place.[Verse 2]

No need to question next time we meet

I know you're coming home with me, home with me

Sweat like a sauna

Break out the ice

I know you're gonna stay the night, stay the night. When you're standing there in your underwear
And my t-shirt from the night before

With your messed up hair
And your feet still bare
Would you mind closing the bedroom door?.[Chorus 2]
Baby you don't have to rush
You can leave a toothbrush
At my place
At my place
We don't need to keep it hush
You can leave a toothbrush
At my place
At my place
'Cause I just, I just can't let you go
Give me something I never know
So baby you don't have to rush
You can leave a toothbrush
At my place
At my place.[Bridge]
I don't want this to end
And there's no need to play pretend
If you stay with me again
Would you mind closing the bedroom door?.[Chorus 2]
Baby you don't have to rush
You can leave a toothbrush
At my place
At my place
We don't need to keep it hush
You can leave a toothbrush
At my place
At my place
'Cause I just, I just can't let you go
Give me something I never know
So baby you don't have to rush
You can leave a toothbrush
At my place
At my place.
