Zero

Lullacry

I saw you yesterday
Blind and drunk with the power
Living over the portray
Full tilt on final hour, zeroI felt you today
It's something so wicked
Put out on display
Full tilt on final hour(Chorus)
Zero, back to the start again
Zero, your time is running out
Zero, no need to explain
Zero, you're nothing, you're dead to meI saw you yesterday
Blind and drunk with the power
Living over the portray
Full tilt on final hour(Repeat chorus)Zero, back to the start again
Zero, your time has run out
Zero, no need to explain
Zero, you're nothing, you're dead to meNothing but dead
To me
Nothing but dead
To me
Nothing but dead
