

# Running To Stand Still

## Elbow

So she woke up, woke up from where she was lying still  
Said, I gotta do something 'bout where we're going  
Step on a steam train, step out of the driving rain  
Maybe run from the darkness in the nightSinging, ah, ah, la, la, la, de, day  
Ah, la, la, la, de, day  
Ah, la, la, de, daySweet the sin, bitter the taste in my mouth  
I see seven towers but I only see one way out  
You've gotta cry without weeping, talk without speaking  
Scream without raising your voiceYou know I took the poison from the poison stream  
Then I floated out of hereSinging, ah, ah, la, la, la, de, day  
Ah, la, la, la, de, day  
Ah, la, la, de, dayShe runs through the streets with her eyes painted red  
Under the black belly of cloud in the rain  
In through a doorway she brings me  
White golden pearls stolen from the seaShe is raging, she is raging  
And the storm blows up in her eyes  
She will suffer the needle chill  
She's running to stand still
