Teeniebopper

Distorted Penguins

She wears her pink and purple slippers
She watches Brady Bunch and Flipper
Love to watch her brush her hair
And to know she really cares
I can say that life is very fairHow, oh, how could she be mine
How could I be first in line
Why would she keep me in mind foreverI hold her hand when we're together
She's sweet and soft just like a feather
Gotta know that she's the world
Everybody she's my girl
Wish I could afford for her a pearlHow I know that she's the one
You know she's my only sun
She will always, always be my lover
Could it be she steals a tape for me
