

# Where Them Girls At

## Hyper Crew

So many girls in here, where do I begin?  
I see this one, I'm 'bout to go in  
Then she said "I'm here with my friends"  
She got me thinking, and that's when I said  
    Where them girls at, girls at?  
    Where them girls at, girls at?  
    Where them girls at, girls at?  
So go get them, we can all be friends  
Hey, bring it on baby, all your friends  
    You're the shit and I love that body  
You wanna ball, explicit, I swear you're good, I won't tell nobody  
    You got a BFF, I wanna see that girl, it's all women invited  
    Hairdos and nails, that Louie, Chanel all up in the party  
    President's in my wallet, no rules I'm 'bout it  
    Blow the whistle for the hotties  
I got it, shorty, it's never too much, can't be doing too much  
    Ten to one of me, I can handle that love  
    Outta of my reach, we can all get buzzed  
Holla, 'cause I'm free to whatever, it's no rush  
    So many boys in here, where do I begin?  
    I see this one, I'm 'bout to go in  
    Then he said "I'm here with my friends"  
He got to thinking, and that's when he said  
    Where them girls at, girls at?  
    Where them girls at, girls at?  
    Where them girls at, girls at?  
So go get them, we can all be friends  
    Peebe, Peebe who's Peabo Bryson  
    Two years ago I renewed my license  
    Anyway, why'd I start my verse like that  
You can suck a dick, you can suck on a ballsack  
No, no I don't endorse that, p-p-pause that, a-a-abort that  
Just the other day me go a London, saw dat, kids down the street  
    Paparazzi, all dat, hey, hey, what can I say?  
        Day day da-day day day  
Coming through the club all the girls in the back of me  
This ain't football why the fuck they tryin' tackle me?  
    Really, I pick dude at the bar like really  
    Looking like he wanna good time like, really

Said he had a friend for my home girl Lily, Lily, Lily, Lily  
So many girls in here where do I begin  
I see this one, I'm 'bout to go in  
Then she said "I'm here with my friends"  
She got me thinking, and that's when I said  
Where them girls at, girls at?  
Where them girls at, girls at?  
Where them girls at, girls at?  
So go get them, we can all be friends  
Day day da-day day day day  
Day day da-day day day day  
Day day da-day day day day  
Yo, where my girls at uh, hmm, uh  
Yo, where my girls tryna get to jumpin'  
So many girls in here, where do I begin?  
I see this one, I'm 'bout to go in  
Then she said "I'm here with my friends"  
She got me thinking, that's when I said  
Where them girls at, girls at?  
Where them girls at, girls at?  
Where them girls at, girls at?  
So go get them, we can all be friends
