Street Hassle

Simple Minds

Waltzing Matilda, looked at her wallet

The sexy one smiled in dismay

She pulled out four twenties 'cause she liked round figures

Everybody stayed for a dayI think I'm on fire and you know I admire you

Buy it, why don't we slip away

Although I'm sure you're certain

It's a rarity me flirtingSha la la la lay, come on

And sha la la la la, sha la la la, sha la la la la

Come on and slip away

Sha la la la la, sha la la la, sha la laCascading lowly, he entered her slowly

And showed her where he coming from

And sha la la la la, made love to her gently

Just like she had never comeAnd sha la la la la, sha la la la

When the sun rose and she made to leave

And sha la la la la, sha la la la, you know

Come on, slip away

Sha la la la la, sha la la la la, sha la la la la

Come on, slip awaySha la la la la

Sha la la la la, sha la la la la, sha la la la la

Slip away, sha la la la la, slip away

Sha la la la la, come on and slip away

Sha la la la la, [Incomprehensible] sha la la la laWe need your loving so badly

We need your loving soSlip away, come on, slip away

So come and slip away

We need your loving so badly

Yes, awaySha la la la la

La la la la

La la la la

La la la la

La la la laSha la la la la, sha la la la la

Love has gone away

She took the ring from my finger

And there's nothing left to sayWe need your loving so badly

We need your loving so

Come on, slip awaySha la la la la

Sha la la la la

Sha la la la la

Sha la la la laLove has gone away

She took the ring from my finger

And there's nothing left to sayWe need your loving so badly

We need your loving so badly

Slip away

We need your loving so

Slip away

Slip awaySha la la la la

Sha la la la la
