Nowhere Without You

Bob Evans

I make a miserable D.J. getting drunk, playing records up late
Wearing out a hole in my heart on the couch from when you went away
Today wrote out a prescription leave all calls to the answering machine
I donÃ¢??t remember anything but I know that you know where IÃ¢??ve been

Where would I go?
What would I do?
I would be nowhere with out you
Now I know heavens above you I can grow
I just canÃ¢??t make it on my own

Watching terrible T.V itÃ¢??s ok all our secrets we keep
I used to dream of broken teeth now I lie awake watching you sleep
If IÃ¢??m so independent why when you leave am I digging up holes
To hide and wait 'til you come back like a bad actor between roles

Where would I go?
What would I do?
I would be nowhere without you
Now I know heavens above you I can grow
I just canÃ¢??t make it on my own

Good morning baby itÃ¢??s raining outside
But weÃ¢??ve got all day and the suns in your eyes
Frisky on whisky weÃ¢??re champagne and wine
Drinking in, sinking in love
Where weÃ¢??ll go I gloriously donÃ¢??t know

IÃ¢??m nowhere without you
(now I know)
HeavenÃ¢??s above you
(I can grow)
