## Epica

Advisory - the following lyrics contain explicit language:

Don't you ever blind me  
Don't be a foolish thief  
- Am I?  
Don't you ever bring yourself to griefDon't you ever blind me  
Don't ever trick my mind  
- Did I?  
Don't you think that you can lie to me  
- Did I lie?Fortuna exprimitur artibus falsis  
Et mendacem memorem esse oportetIf he is your moon, I will be your earth  
To which you can return, safely or injured.I feel only misery for myself when I  
Look through the eyes of someone elseDon't you choke and bind me  
Don't be a bleeding heart  
- Am I?  
Fold then walk away or play your cards  
- Let us play!Fortuna exprimitur artibus falsis  
Et mendacem memorem esse oportetIf he is your moon, I will be your earth  
To which you can return, safely or injured.I feel only misery for myself when I  
Look through the eyes of someone else  
I can't even recognize the path which has to be  
Taken to enter infinity.- Don't you dare me  
I dare you  
- You don't care about me  
I care about you  
- Don't you touch me  
- LiarFortuna exprimitur artibus falsis  
Et mendacem memorem esse oportetAdoratio permanebit  
Quotiens me eges, aderoI prefer to be unhappy with you,  
Rather than being depressed without you.  
I belong to someone, I'm dedicated to  
Nothing lasts forever but you, you do...I prefer to be a lair just like you  
To fulfill my deepest desires  
I belong to someone, I'm dedicated to

But all that I desire is you One thoughtless moment passes in slow motion  
As I lie down, I realise that...  
All I wish is to get rid of this Obsessive Devotion Venia ad vitam aeternam  
Non mihi, non tibi, sed nobis Hit me as you can  
Beat me as you wish  
Liar Fortuna mutual coniuncti  
Per tota saecula futura I have raised myself for you  
But now I regret Venia ad vitam aeternam This is the end
