Please Don't Go (Russell Salsbury Re-Edit)

Barcelona

All those arrows you threw, you threw them away
You kept falling in love and then one day
When you fell, you fell towards me
When you crashed in the clouds, you found meOh, please don't go
I want you so
I can't let go
For I lose controlGet these left handed lovers out of your way
They look hopeful but you, you should not stay
If you want me to break down and give you the keys
I can do that but I can't let you leaveOh, please don't go
I want you so
I can't let go
For I lose control
