Party Doll

Mick Jagger

You used to be my party doll
But now you say the party's over
You used to love to honky tonk
But now the honky tonking's over
Now life is a bitter thing, my sweet
Now life is a mystery to me
Love's pain, I ain't buying

Love's strange. I keep trying, trying, tryingYou used to be my party doll

But now you want to live in clover

You used to be my number one

But now those salad days are overTimes change but the fascination stays

Love wins but the passion just fades

I'll drink to the dancing days I'll drink to your crazy ways

Through the whiskey hazeFace the music, face the truth

Chase that fleet sweet bird of youth

Grow up sweetly, grow up strong

Hear the heartbeat, in my songLove's pain, I ain't buying

Love's strange. I keep trying, trying You used to be my party doll

But now you say the party's over
You used to love to honky tonk
But now those dancing days are over
You used to be my number one
But now you vanished in the ozone
