

All That I Know

Kensington

It's all that I know, it's all they've told us
A grasp at the gold is all that holds us
Down This town is vile, its words are weak.
Still I contemplate and fall before its feet Go down in style, head down the deep
You will never know what you just did to me - ooh
You'll never know what you just did to me - ooh It's all that I know, it's all they've told us
A grasp at the gold is all that holds us
Down We fake a smile, our noses bleed
With a losing hand disguising our defeat You're in denial, so hard to reach
You will never know what you just did to me - wooh
You'll never know what you just did to me - wooh It's all that I know, it's all they've told us
A grasp at the gold is all that holds us
(3x)
Down
