Here I Am

Downhere

Sometimes Your calling, comes in dream
Sometimes it comes in the Spirit's breeze, yea
You reach for the deepest hope in me
And call out for the things of eternityBut I'm a man, of dust and stains
You're moving me, so I can sayHere I am, Lord send me
All of my life, I make an offering
Here I am, Lord send me
Somehow my story is a part of your plan
Here I amSet backs and failures, and upset plans
Test my faith and leave me with empty hands
Are You not the closest, when it's hardest to stand?
I know that You will finish what You beganAnd these broken parts, You redeemed
Become the song, that I can singHere I am, Lord send me
All of my life, I make an offering
Here I am, Lord send me
Somehow my story is a part of your plan
Here I amOverwhelmed by the thought of my weakness
And the fear that I'll fail You, in the end
Oh, in this mess, I'm just one of the pieces
I can't put this together, but You canHere I am, Lord send me
I wanna live my life as an offering
Here I am, Lord send me
Somehow my story, is part of Your plan
So here I amHere I am, all my life an offering to You,
To You,
Somehow my story is a part of your plan
Here I am
