

# Joseph

Judy Mowatt

you been so good to me  
i thank you sincerely  
in my state of unrighteousness  
you sang for me and my soul was blessed  
through you ive gotten my first inspiration  
for writing my songs into the light of salvation

you are a father a brother one that ive never had  
and i thank god for you for you i am so glad

archers have shot arrows at you sorely grieved you  
but your bow abode in strength  
when the enemies came your angels were descent  
they dont know youre here for a purpose  
like the famine in egypt your corn still feeds us

you are a father a brother one weve had now weve lost  
we thank god for you ..for you we are so glad

you been so good to me  
i thank you sincerely  
in my state of unrighteousness  
you sang for me and my soul...my soul was blessed

joseph we love you ooh(3x)  
joseph israel love you ooh ooh

we're not here to cast you down but to uplift you with this sound  
joseph we love you ooh(3x)

thirty pieces of silver you were sold for in egypt  
joseph we love you (rep)

reuben simeon levi judah issachar zebulun dan and gad asher naphthali benjamin and dinah  
joseph we love you (rep to fade)
