

# Gypsy Heart (feat. Neil Ormandy)

## Bunt

There's a roar outside my door  
Is it what you looking for?  
Flower child, you born to world  
Following the western sun  
And when you found the place you looking for  
Maybe you will finally settle down  
When your other world is born to look  
Take the road you know will lead you home  
I've should've known it from the start  
When you travel by the stars  
You were bound to follow sparks  
Girl you've got a gypsy heart  
Far away on settled wings  
Find the songs that you will sing  
On your path along the way  
It could lead you back to me  
And when you found the place you looking for  
Maybe you will finally settle down?  
When your other world is born to look  
Take the road you know will lead you home  
I've should've known it from the start  
When you travel by the stars  
You were bound to follow sparks  
Girl you've got a gypsy heart  
Where will you call me home?  
Your heart is born to long  
When are you coming home?  
Where will you call me home?  
Your heart is born to long  
When are you coming home?  
Girl you've got a gypsy heart  
Girl you've got a gypsy heart  
Girl you've got a gypsy heart  
I still love your gypsy heart  
Girl you've got a gypsy heart  
I still love your gypsy heart
