Run Rabbit Run

Smack

When I looked you in the eye
I knew it was time for good-bye
You were the only one I had around
But you couldn't keep your feet on the groundRun rabbit run
But what's that you're runnin' for
Run rabbit run
You ain't gonna run no moreBye bye baby, bye bye bird!Thought the cold sidewalk stones
Broke your little brittle bones
I know you were already dead
When the truck rolled over your headBye bye baby, bye bye bird!
