

# Son Of The Morning Star

## The Twilight Singers

Do I need thoughts so cold?  
Could I feel more alone?  
Am I more damned than thou?  
Should I wear tortures frown? Should I live my life a lie?  
Could I be less alive?  
Shall I bask in God's light  
Shall I fall one more time? [Incomprehensible] Should I feel lost somehow?  
Do I feel less than thou?  
Could I be less undone?  
Could I fall deeper down? [Incomprehensible]
