

Wat Kyk Jy?

Die Antwoord

Yes, yes, I'm looking for a fancy course
Fuck the cunt in the Corsa next to us
Yo, Ninja, cook and running shoe
Let us glide
Drive fast
Fuck music now What are you looking at?
Fuck off
What are you looking at?
Cunt What are you looking at?
Fuck you
What are you looking at?
You fuck Yo, Ninja, cook and fucking running shoe
Drive fast What are you looking at?
Fuck off
What are you looking at?
Cunt What are you looking at?
Fuck you
What are you looking at?
You fuck What are you looking at?
Fuck off
What are you looking at?
Cunt What are you looking at?
Fuck you
What are you looking at?
You fuck Here we go again
Jesus, like, how did I get so fancy?
You look so beautiful with my dick in your throat
