I'll Follow the Sun

Shocking Blue

I'll follow the sun
That's what I gonna do
Trying to forget all about you.I'll follow the sun
till the end of time
No more pain and no more tears for me.I'll follow the sun
Birds will show me how
'Cause suddenly it seems my eyes are dry.I'll follow the sun
till I see the light
Apollo comes near when the time is right.
