Mama Used To Say (Mixed By T. Scott)

Junior

Ooh
Yeah, girlSaid a small boy once asked, When will I grow up
When will I see what grownups do see
In his fight to come of age, he would have to know the age
To be recognized is when I'm not unmaskedAnd mama used to say, Take your time, young man
Mama used to say, Don't you rush to get old
Mama used to say, Take it in your stride
Mama used to say, Live your lifeAs the years went rushin' by he would cut down on his age
He would tell his girl of how it used to be
How his mommy passed away, but these lines she would say
And at the time he couldn't understandMama used to say, Take your time, young man
Mama used to say, Don't you rush to get old
Mama used to say, Take it in your stride
Mama used to say, Live your lifeYou're young, so young, don't hold on back
Do all you want to do
Now is the time for you to stride
For you to get better in what you are doin', ohNow is the time for you to stride
For you to get better in what you are doin', ohA small boy once asked, When will I grow up
When will I see what grownups do see
In his fight to come of age, he would have to know the age
To be recognized is when I'm not unmaskedAnd mama used to say, Take your time, young man
Mama used to say, Don't you rush to get old
Mama used to say, Take it in your stride
Mama used to say, Live your life, live your life, live your life, ohHey, mama used to say, Take your time, young man
Mama used to say, Don't you rush to get old
Mama used to say, Take it in your stride
Mama used to say, Hey, hey, hey, hey, hey, heyOoh
Ooh
Mama used to say, ooh
Mama used to say, ooh
Mama used to say, ooh
Mama used to say, ooh
Mama used to say
