

Hysteria (David Thulin Remix)

Joel Vaughn

Look at what you've done
Look at what you've done to me
Older but I feel young
Older but I feel young at sea(PRE-CHORUS)
The colors burn their way into my skin,
I've been a prisoner within
I am aware of everything(CHORUS)
Hysteria, Hysteria, Oh
Invading us, Invading us, oh
Hysteria, Hysteria, oh
It's Taking over,
Taking over(VERSE 2)
To the edge of the earth
You take me to the edge of the earth
Everything is a blur
Everything is clearly blurred(PRE-CHORUS)
The colors burn their way into my skin,
I've been a prisoner within
I am aware of everything(CHORUS)
Hysteria, Hysteria, oh
Invading us, Invading us, oh
Hysteria, Hysteria, oh
It's Taking over
Taking over(BRIDGE)
Nothing makes sense
Everything makes sense
Nothing makes sense
Everything makes sense to me
Nothing makes sense
Everything makes sense
Nothing makes sense
Everything makes sense to me(CHORUS)
Hysteria, Hysteria, Oh
Invading us, Invading us, oh
Hysteria, Hysteria, Oh
Taking over
Taking over
It's Taking over
