

Dead Star

Muse

Shame on you
For thinking you're an exception
We're all to blame
Crashing down to Earth
Wasting and burning out, you're
Fading like a dead star, woah
Harm is coming your way
Yeah, it's coming your way You used to be everything to me
And now you're tired of fighting
Tired of fighting
Fighting yourself Shame on you
For thinking
You're all alone
If you want I'll make you wish you weren't
Failing to impress
Why can't you sleep with
Someone who'll protect you, yeah
Harm is coming your way
Yeah it's coming your way You used to be everything to me
And now you're tired of fighting
Tired of fighting
Fighting yourself
