Broken

Livingston

Look at you
And time turns to fate
And you smile to that boy that thinks to much
I am broken in silence I I adore you
But I wait for you

Without those words that you fear most
And I breath out my name
So loud on to you
I'm loaded by you

And I'm broken by you
I'm broken by you
I'm broken by you
I'm broken by you
I'm broken by you

The smile look a like
Don't claim that you're better
I don't speak out

Without those words that you fear most
And I breath out my name I would
So loud on to you I could
I'm loaded by you

But I'm broken by you
I'm broken by you
I'm broken by you

Woah oooh oooh oooh

And still I'm losing you
In everything you do
I'm losing you

I'm broken by you
Broken by you
I'm broken by you

I'm broken by you

Oooh oooh oooh oooh

I'm broken by you
