

# Ewan's Blues

## The Sheepdogs

When you wake up in the evening,  
You will waste your chance to grow.  
Fourteen years of livings how I know.  
And if you think thats a foolproof plan,  
Then you better find another man.  
And if you feel like your bound to rust,  
Or you dont know who to trust.  
Well youll never know, how I love you so.  
How I love you so. Everybody lies,  
And no one wonders why.  
And if youre dressed out all the time little darling,  
I get that wondering eye.  
Youll never know,  
How I love you so.  
How I love you so.  
Yeah I love you so. Youll never know,  
How I love you so.
