

# Porch

## Personal Effects

What the fuck is this world running to?  
You didn't leave a message  
At least I could have learned your voice  
One last time Daily minefield, this could be my time  
How 'bout you?  
Would you hit me?  
Would you hit me? All the bills go by  
And initiatives are taken up by the middle  
There ain't gonna be any middle any more  
And the cross I'm bearing home  
Ain't indicative of my place  
Left the porch, left the porch Hear my name, take a good look  
This could be the day  
Hold my hand, walk beside me  
I just need to say Hear my name, take a good look  
This could be the day  
Hold my hand, lie beside me  
I just need to say What can I take? I just want to be  
I know that I would not ever touch you  
Hold you, feel you  
Ever hold, never again
