

Radar For Love

Kiss

Passion fire runnin' through my veins.
Get a little bit of love and I go insane.
I may talk big, baby, I don't lie.
Oh, the guys don't know, but the girls know why.
Oh, girls know why, whoo oh.
Get down and get to it.
I know you can do it.
Get down and get to it.
I know you can do it. Oh, oh, oh, oh.
Radar for love, radar for love;
I've got radar for love,
Radar for love, oh yeah. When you feel so hot that you can't hold still,
And you don't know how you're gonna get your fill.
Send an S.O.S., baby, I'm your man.
If I don't make good, baby, no one can.
Oh, no one can, whoo oh.
Get down and get to it.
I know you can do it, come on.
Get down and get to it.
I know you can do it. Oh, oh, oh, oh. Radar for love, radar for love;
I've got radar for love.
Radar, oh, oh,
Radar for love, radar for love.
Radar, radar for love, oh,
Yeah, oh yeah, one more time.
Get down, oh get down, get down. Oh, oh, oh .Radar for love, radar for love;
I've got radar for love.
Radar, oh baby, baby.
Radar for love, radar for love.
Radar for love, n-n-n-n-now, radar for love, come on.
Radar, ooh, radar, oh yeah.
Radar, oh, radar, oh yeah, radar, oh yeah.
Radar for love, radar, come on, radar, ha, radar, radar.
S.O.S, radar, radar, get the message, sugar, radar, radar for love.
