

Let The Heavens Open

Kari Jobe

You are welcome in this place
Welcome in our hearts
Come and have your way
God, meet us face to face
All consuming fire
Move without restraint Breathe on us
Spirit, come
You're our heart's desire We stand in the glory of the King
Knowing that You're here
You have set us free
You're here
Let our worship be Your throne
Amazed by who You are
Your Presence makes us whole Breathe on us
Spirit, come
You're our heart's desire
[Repeat 3x] Let the Heavens open
Let Your Kingdom move
All our faith and hope
Our great God
[Repeat 2x] Let the Heavens open
*(No Heaven locked up, let it open)
Let Your Kingdom move
*(No Kingdom stand still, let it move)
All our faith and hope
*(Our faith, our trust, our hope in our great God)
Our great God
*(Our Great God)
[Repeat 3x]
