

# I can't explain

## Ministri

I've wrapped myself up in a universe again  
And let the darkness quell my match flame confidence  
And unwillingly I hide the lever I must find  
To release the deep, the tears withheld inside  
But I can't explain  
I can't make sense of the things I'm saying  
The crystal tears are sliding down again  
Your moonlit cheeks and soaking silken lips  
If this pain is so real  
There's a hand that someday must heal  
And give us the words  
That time steals and won't let us say
